

# Horror Chase & Ambience Music

Thank you for downloading Horror Chase & Ambience Music!!

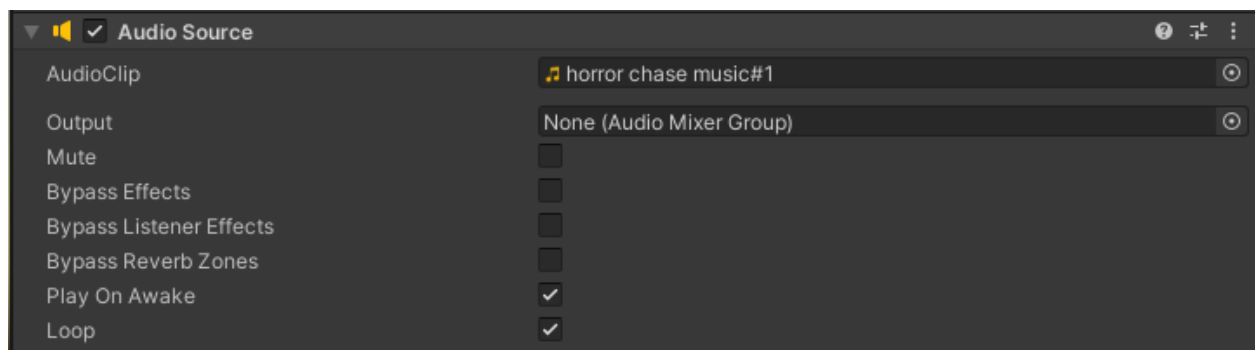

In this PDF you will find more information on this asset!

## ***LICENSE***

The license is **Attribution 4.0. International**. This license gives you the opportunity to do whatever you want with this asset! You can remix, transform and build upon it. However there are two terms. The first one is that you have to give me credit! The second one is that there must be no additional restrictions! Read more [HERE](#).

## ***HOW TO USE***

1. Simply create an empty (game object > create empty) and then drag the music file of your choosing into the empty, as displayed in the demo scene
2. Once this is done you will want to click the loop checkbox under audio source, to make sure the audio loops
